Specialty Label

Ahlstrom-Munksjö creates a range of release liners to meet the unique challenges of the Specialty Label market including high-speed to hand-peel applications.

- PeelBak™ liners are highly engineered solutions that offer a wide breadth of silicone systems and release files to fit the many demands of the segments we serve.
- Through collaboration with our customers we develop application-specific liners that contain the functional properties critical to the success and delivery of the adhesive.
- In the label segment, release liners act as a carrier and delivery system for adhesives. Our liners provide the performance characteristics to withstand demanding environmental and converting conditions.

From hand-peel to high-speed applications, Ahlstrom-Munksjö creates a range of release liners to meet the unique challenges of the Specialty Label market. As leaders in the Specialty Label market, we understand the impact release liners play in your success.

Our silicone coated products include a broad scope of caliper controlled, densified liners to meet demanding die cutting requirements. In addition, we custom design our silicone formulations to provide smooth release profiles as well as the right level of release for your specific adhesives.

Attributes

Die-cut Ability: Ahlstrom-Munksjö's Coated Products' caliper-controlled release liners offer consistent density and caliper as required by end-use application.

Layflat: Peelbak™ liners are designed to offer consistent moisture and sheet profile to achieve layflat in the converting process.

Stable Release: Custom release formulas provide converters with well-cured, stable release systems, critical to adhesives.

Strength: Liners offer high tear-strength to withstand the challenging conditions the liner is exposed to in the converting process.

Release Profile: Smooth release profile for high speed stripping applicants.

Substrates/Paper Finishes	Basis Weight GSM	Fiber	Caliper	Release Level	Coating Types	Applications
MF, SCK, Hybrid, Glassine	52-195	Bleached & Natural	1.8 mil - 7.0 mil	Broad range of release levels from easy to tight release	Solventless, Solvent, Emulsion & Non-Silicone Specialty Coatings	Food & Beverage, Consumer Durables, Pharmaceuticals, Retail, Personal Care
